This form was prepared as part of a research/survey/nomination project in 2011-2012 funded by a HRDP grant from the State Historical Society of Iowa for the nomination of the Washington Downtown Historic District. The project was primarily structured to develop the nomination for the downtown, with additional research on each building documented on an Iowa Site Inventory form. The information below is taken from the table in the August 2012 draft of the nomination, with additional information documented on the property and photographs in the following sections.

Warehouse - 115 W. Third St - State #92-00591 - Map #40 ~ 1 non-contributing building - c.1992 - 1990s warehouse

Historic information:

c.1992 - warehouse built

2012 - warehouse for Sitler Electric Supply to east at 215 N. Iowa

Architectural information:

Height: 1 story

Walls: concrete block

7. Narrative Description

This is a two-story concrete block warehouse. The building sits to the immediate west of Sitler House of Lights display building, though on a separate parcel and built separately. The entry to the warehouse is from the alley south of the building. On the alley facade, there is an oversized garage door at the east end of the facade, and a steel entry door with a small window to the left of the garage door. There are no windows or other openings on this side of the building. The west side has a small window, and the north side has a pedestrian/fire door.

8. Narrative Statement of Significance

The warehouse was purchased by Sitler in 1998 from Martin Weerman. According to the county assessor's web site, it was built in 1992. It is currently used for storage, and is part of the Sitler Electric Supply complex of buildings (see 213-215 N. Iowa and 109 W. 3rd Street). Due to its later construction, it is counted as non-contributing within the Washington Downtown Historic District.
