TABLE OF CONTENTS

Generated research lists of business advertisements in the *Washington Press*, *Washington Gazette*, and *Washington Evening Journal* on selected dates from 1856 to 1961, correlated and verified with other research for the project to add identified addresses (may be some errors). Business listings in city/telephone directories for 1910, 1926, 1932, 1935, 1941, 1952, 1956, and 1964 were also added.

Newspaper and city/telephone directory research conducted by Mary Patterson, Stacy Nielson, and Tom Dawson for the City of Washington Historic Preservation Commission. Research compiled/correlated by Rebecca Lawin McCarley, consultant:

Business advertisements – organized alphabetically by business name

Business advertisements – organized by business type (yellow pages)

Business advertisements – organized by location (if known)

Business advertisements – organized by date and then business type
